Hi Sue,

In regards to condition 33 – Bird Boxes, within discharge of conditions application CDN/22/0770;

3no. Bird Boxes are now installed within the sites woodland area, these are reflected in the attached drawing 009433-SPA-01-XX-DR-L-910036.

I have attached a document detailing the Bird Box Specification. The Bird Box specification is Woodcrete by Schwegler 32mm nestboxes.

Noting previous comments, the installation of ash trees has been avoided due to the risk of ash dieback.

Thanks and regards,
Sam
