

Note:
Do not scale from this drawing.
Dimensions are to be checked on site.
If in doubt, please ask.

Note:

All details are to match the existing details and duct sizes within the Hall as designed formerly by others. Contractor is to carefully measure and refer to the existing service boxing when planning this work.

All new pipes are to be installed to existing/former drainage runs and make use of existing holes in fabric.

All pipes and services passing through walls and floors are to be installed with a 1 hour fire collar.

Key:

- Existing fabric to be removed.
- Proposed fabric to be installed.
