For 7 Burnham Drive, MCC would be comfortable supporting an application that includes a 1.5metre set-back dimension given its smaller plot size and relationship with neighbouring properties, this would prevent terracing impact and comply with principles set out in the Saved Unitary Development Plan DC1. As we discussed on the phone the applicant can appeal the original refusal decision if she so wishes.

Kind Regards,

Adam.

## Authority Employee/Member

**With respect to the Authority, is the applicant and/or agent one of the following:**

**(a) a member of staff**

**(b) an elected member**

**(c) related to a member of staff**

**(d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
