Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

The property is a 7 bedroom house in multiple occupation with 14 years of history of continuous occupation by 7 unrelated people. The property is laid out over four floors and has had licences to be let to 7 occupiers dating back to 2012. The property is in an area which is well established for student private rentals. The lawful use covers the whole of the property (including front garden and rear yard).

Please state why a Lawful Development Certificate should be granted

This is a well established 7 bedroom house in multiple occupation in a prime student letting area with a history of continuous use dating back 14 years. The granting of the LDC would recognise and formalise this existing use. Furthermore, as the recent new owner of the property, the granting would also enable proposed high quality future improvements to the house to be applied for with the support and help of Manchester City Council including the licensing team (see correspondence enclosed with application).
