Dear Robert

CLADDING REPLACEMENT SCHEME, REMOVAL OF COMBUSTIBLE MATERIALS AND ASSOCIATED WORKS
THE CUBE, 2B THE WATERFRONT, OPENSHAW, MANCHESTER, M11 4DB

We refer to the above and subsequent consultation with the Fire Authority and attach a copy of their report for your information. The comments on Building Regulations are consistent with observations previously made in the Building Regulations Report.

Any additional fire safety recommendations made should be reviewed and incorporated as appropriate.

If you have any further queries regarding this matter please do not hesitate to contact us.

Yours sincerely

Ashley Thompson
Senior Project Manager
