YOUR COMMENTS ON THE CASE

I'm a permanent resident of 21 queens road m8 8uq, located opposite the McDonald's, I'm currently living at my property with my wife and 10 month old baby boy. The area is extremely busy and very noisy, since I have received a letter regarding the planning permission to allow 24 hour training at McDonald's we are very worried that If the planning permission get approved by Manchester City council we won't be able to get a peaceful night . At the moment we are just managing to put our baby to sleep after 11pm . Queens road and the surrounding area is already covered with McDonald's rubbish, such as paper bags and plastic cups and bottles.

Unfortunately Manchester City council is not paying attention in our area if you walk by or drive through you see .

Please do not approve this planning permission.
