

QUOTE PACK

Thank you for your enquiry

This is your Big Foot Systems Quote Pack for review - offer valid for 14 days. Supporting technical information is included, however should you require additional assistance please do not hesitate to contact the Big Foot Team.

The next step

To obtain your Big Foot solution you will need to:

1. Place an order via one of our approved distributors
2. We'll then supply a unit/site specific drawing(s) for approval
3. Once approved delivery will be confirmed

Any queries?

Your local contacts are listed on the quote. To discuss the enclosed offer, please contact your **Project Manager**. For advice on official distributors to order through please contact your **Customer Account Manager**.

TERMS & CONDITIONS

DISCLAIMER

Please note, our offer is based upon your information supplied and is subject to change pending full information eradicating our assumptions.

Installation and application considerations should include but not be limited to health, safety and environmental needs, regulations and standards, codes of practice, climatic conditions, installation location, product orientation, evaluation of the roof structure, composition, surface and condition, ancillary and complimentary products and materials. Big Foot Systems recommend that all rooftop products are handled and installed by suitably qualified persons. All scheme designs are based on the use of Big Foot Systems' products and materials only. In addition to the above, our Standard Terms and Conditions apply to this quotation and any subsequent order.

For Big Foot Terms and Conditions please visit our website address below, referring to Appendix A for Design and Specification terms.
