Dear Sir or Madam,

Class A, Part 1, Schedule 2 of the Town & Country Planning (General Permitted Development) (England) Order 2015 (as amended)

Application No.: 134696/PDE/2022

Description: Prior notification of proposed larger home extension projecting 6m to the rear with a maximum height of 3.2m and a height at eaves of 3m

Location: 9 Ardern Road, Manchester, M8 4WN

The above application was submitted to us on 12 August 2022.

When assessing the criteria of the larger homes extensions under Schedule 2, Part 1, Class A of the above Order, the proposal must comply with all of the requirements to be permitted development; this includes all conditions, limitations or restrictions.

In paragraph A.1(j) of the Order, development is not permitted where "the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse..." and "... (iii) have a width greater than half the width of the original dwellinghouse"; a wall forming a side elevation is any wall that cannot be identified as being a front wall or a rear wall. In the interpretation section of the Order "original" is stated to mean - (a) in relation to a building existing on 1 July 1948, as existing on that date; (b) in relation to a building built on or after 1st July 1948, as so built.

It is clear from enquiries of aerial photos and historic maps that a single storey rear out rigger formed part of the "original" dwellinghouse, for the purposes of the Order. These single storey outrigger are a common feature of other properties in the immediate vicinity. The proposed single storey extension will wrap around the original rear outrigger, therefore extending beyond the walls that form its side and rear elevations; a width greater than half the width of the original dwellinghouse will therefore result and the proposal would fail to meet the limitations of sub-paragraph (j).

Accordingly, the proposal does not satisfy all of the conditions and limitations and is therefore not permitted under the Order and an application for planning permission is required.

This letter is to be treated as a refusal of this application, in accordance with paragraph A.4(3) of the Order, and as such you have the right of appeal under Section 78 of the Town & Country Planning Act 1990 (as amended). Any such appeal must be submitted

using the Planning Inspectorate's website at <https://acp.planninginspectorate.gov.uk/> within 12 weeks of the date of this letter.

Alternatively, if you wish to proceed with the proposed extension, you would need to submit an application using the 'Householder Application for Planning Permission for works or extension to a dwelling' forms and pay the requisite fee, which is currently £206.

Should you wish to discuss this matter any further please contact Adam Neil.

Yours faithfully,
