Dear Carl,

Re: Planning Decision 130538/FO/2021

Thank you for your attention to the matter thus far, your assistance is much appreciated.

I would like to make you aware that verbal notice to vacate 41 Slade Lane, Manchester, M13 0QJ has been given and accepted by our tenant currently in occupation of the aforementioned address.

This week we will be submitting formal, legal notice drafted by our solicitor to the tenant requesting that they vacate the property at the earliest opportunity. Having spoken to the tenant they have confirmed that they are already searching for new premises and have been doing so since the verbal notice was given over 2 months ago.

I would like to reiterate that the Mosque plans to occupy this building once it has been vacated and furthermore the Mosque plans to shift its back-office operations to this building for the foreseeable future with no plans to re-let the premises to a new tenant. Therefore, the building will continue to be used as office space.

Please note that the Mosque office, once located at 41 Slade Lane, will be closed during all prayer times allowing the Mosque back office staff to pray next door in the Mosque.

Yours sincerely,

A handwritten signature in black ink that reads 'Ali Haque'.

Amdadul Ali Haque,
Trustee
