Part 1 – Particulars of the application/development

Proposal: Erection of a two storey rear extension to form additional living accommodation

Location: 1C Cotton Lane, Manchester, M20 4GL

Date of application: 12 July 2022

Application number: 134352/FH/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The local planning authority in making its decision has had due regard to paragraph 47 of the National Planning Policy Framework as well as the development plan, national planning policy and other material considerations and has refused the application for the reasons outlined in the delegated report. Concerns were raised with regards to the intensification of the use with attendant comings and goings, noise, and disturbance as a result of the extension, a concern that has not been overcome in the reduction of the first-floor extension. The issues in this case could not be satisfactorily overcome and the application is recommended for refusal.

Reason(s) for decision

1) The proposed development would enable the future creation of additional bed spaces within the property in an area which already has a high concentration of existing HMO's. The consequential increase in the levels of activity and associated comings and goings, noise levels, waste generation and demand for parking, would lead to the over-intensive use of the property which in turn would have a detrimental impact upon the

amenity of neighbouring residential occupiers. The proposed development would therefore be contrary to policies DM1 and SP1 of the Manchester Core Strategy.

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 12 weeks).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/planning-inspectorate. The Inspectorate will publish details of your appeal on the internet. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
