Part 1 – Particulars of the application/development

Proposal: Erection of a pair of semi-detached dwellinghouses together with associated landscaping and car parking following the demolition of existing building

Location: Workshop Rear Of 14 Kenworthy Lane, Manchester, M22 4EJ

Date of application: 17 May 2022

Application number: 133695/FO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal was assessed against the policies within the Manchester Core Strategy Development Plan Document and the guidance contained within the National Planning Policy Framework. The applicant was advised that the provision of residential accommodation in this location would not be appropriate as it would have an unduly detrimental impact upon neighbouring residents and lead to additional on-street parking. As the nature of the proposal was considered to be unacceptable and the applicant has requested that the proposal be determined in its current format, a solution that was acceptable to both the Local Planning Authority and the applicant could not be reached.

Reason(s) for decision

1) The proposed development, by reason of its design and siting would have an overbearing impact on the neighbouring properties and would as a result have a detrimental impact upon the levels of residential amenity enjoyed by the occupants of nos. 10 and 14 Kenworthy Lane and nos. 9 and 11 Heyridge Road, contrary to Policy

DM1 in the Manchester Core Strategy and the guidance contained within the National Planning Policy Framework.

2) The proposed development, due to the inadequate number of parking spaces proposed and loss of existing parking spaces, would lead to an increase in on-street parking in an area that experiences a high demand for on-street parking spaces. This increase in on-street parking would have a detrimental impact upon the levels of pedestrian and highway safety enjoyed along Kenworthy Lane, contrary to Policy DM1 in the Manchester Core Strategy Development Plan Document.

3) The proposed development, due to its design, would be out of character with the context within which it is located. It would therefore be detrimental to existing levels of visual amenity enjoyed within the vicinity of the site and contrary to Policies SP1 and DM1 in the Manchester Core Strategy and guidance contained within the National Planning Policy Framework and National Design Guide.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5.
