

SKU	: 1.004C0B930004500000
Beam angle	: 45°
Adjustability	:
CCT	: 3000K
CRI	: (RA) >90
Chromaticity tolerance	: 3
Luminous flux	: 2000Lm
Connected load	: 18.5W
System efficiency	: 108Lm/W
Lifetime/Failure rate	: >50000h/L80B10
Electrical Safety Class	:
Optic	: Facet anodized aluminum reflector & Clear Glass
Color housing	: Black (RAL 9005)
Material	: Die Cast Aluminum
Mains voltage	: 220-240V / 50-60Hz
Max. ambient temperature	: 35°C
Ingress protection	: IP65 from Optical side
Energy rating (EEC)	: A++
Installation	: Recessed
Net. weight	: 1.0Kg
Warranty	: 5 years

All rated values @ ambient temperature of 25° C. Electric and photometric values are initially subject to a tolerance of +/- 10%. Tolerance of color temperature +/- 150K. Technical data can change without prior notice.
