

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Town & Country Planning Act 1990 (as amended)

Planning Permission

Applicant

Mr Usman Ahmed
Bless Enterprises Ltd

Part 1 – Particulars of the application/development

Proposal: Change of use from vacant residential care home to 7 flats with extensions at ground and first floor level, alterations to elevations and roof form, and other associated works including modifications to car parking layout and boundary treatment

Location: St Georges Residential Home , Abbey Hey Lane, Manchester, M18 8RB

Date of application: 21 July 2022

Application number: 133654/FO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Discussions have taken place with the applicant through the course of the application, particularly in respect of the arrangements for car parking, access and ecology measures. The current proposal is considered to be acceptable and therefore determined within a timely manner.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Drawings numbered D\$-233-P01, 4D-233-P02, 4D-233-P03, 4D-233-P04, 4D-233-P06, 4D-233-P07, 4D-233-P08, 4D-233-P09 and 4D-233-P10, and the Design and Access statement, all stamped as received by the City Council, as Local Planning Authority, on 29 April 2022.

Drawings numbered 4D-233-P00 rev B, 4D-233 -P05 rev B and 4D-233-E00 rev A and the Urban Green Bat Survey Report, dated July 2022, stamped as received by the City Council, as Local Planning Authority, on 21 July 2022.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

3) The materials used to construct the external elevations of the development hereby approved shall match the existing property, in terms of colour, type, and method of coursing and pointing.

Reason - In the interests of the character and appearance of the dwellinghouse and surrounding area, pursuant to policy DM1 of the Manchester Core Strategy.

4) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015, (or any order revoking and re-enacting that Order with or without modification), no openings, including windows and doors, shall be inserted within the elevations of the extension, other than those shown on drawings numbered 4D-233-P06 and 4D-233-P07, stamped as received by the City Council, as Local Planning Authority, on 29 April 2022.

Reason - In the interests of the amenities of the occupiers of the neighbouring properties, pursuant to policy DM1 of the Manchester Core Strategy.

5) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification) no part of the development shall be used for any purpose other than the purpose(s) of Class C3(a) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended) (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason - In the exceptional circumstances of a proliferation of HMO's restricting housing choice and adversely affecting sustainability and in the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policy 7.4 of the Guide to Development in Manchester: Supplementary Planning Document and Planning Guidance, the National Planning Policy Framework and policies SP1 and DM1 of the Manchester Core Strategy.

6) a) Prior to any above ground works commencing on site an Environmental Standards Statement shall be submitted to, and approved in writing by, the City Council, as Local Planning Authority. The statement shall include measures to be incorporated into the development to achieve energy efficiency and the approved measures shall be implemented in the construction of the approved development.

b) Prior to the first occupation of any of the apartments a post construction review certificate/statement shall be submitted for approval, within a timescale that has been previously agreed in writing, to the City Council as Local Planning Authority.

Reason - In order to minimise the environmental impact of the development, pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of Manchester's Core Strategy, policy DP3 of Regional Spatial Strategy for the North West (RSS), and the principles contained within The Guide to Development in Manchester SPD (2007), and the National Planning Policy Framework.

7) Prior to the commencement of the development hereby approved, a detailed construction management plan outlining working practices during development shall be submitted to and approved in writing by the local planning authority, which for the avoidance of doubt should include;

- Display of an emergency contact number;
- Hours of working;
- Dust suppression measures;
- Compound locations where relevant;
- Location, removal and recycling of waste;
- Phasing and quantification / classification of vehicular activity associated with planned construction, including commentary on types and frequency of vehicular demands together with evidence (including appropriate swept-path assessment) of satisfactory routing both within the site and on the adjacent highway
- Routing strategy of construction vehicles;
- Parking of construction vehicles and staff; and
- Sheeting over of construction vehicles.
- A dilapidation survey, including photographs and commentary, on the condition of carriageway/footways of construction vehicle routes surrounding the site.

Development shall be carried out in accordance with the approved construction management plan.

Reason - To safeguard the amenities of nearby residents and highway safety, pursuant to policies SP1, EN9, EN19 and DM1 of the Manchester Core Strategy.

8) Before the development commences a scheme for the storage and disposal of refuse shall be submitted to and approved in writing by the City Council as local planning authority. This should include evidence which demonstrates that there is sufficient capacity within the existing arrangements for the anticipated increase in pupils and associated staff, or the indication of revised scheme if such sufficient existing capacity is not demonstrated. The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of amenity and public health, pursuant to policies DM1, EN19 and SP1 of the Manchester Core Strategy.

9) Prior to commencement of the development, an air quality impact exposure assessment and a scheme for clean air intake, including a scheme for electric vehicle charging, shall be submitted to and approved in writing by the City Council as local planning authority. Any agreed mitigation measures shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - To secure a reduction in air pollution from traffic or other sources in order to protect existing and future residents from air pollution, pursuant to policies EN16, SP1 and DM1 of the Manchester Core Strategy.

10) a) Externally mounted ancillary plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. a) Prior to commencement of the use hereby approved the scheme shall be submitted to and approved in writing by the City Council as local planning authority in order to secure a reduction in the level of noise emanating from the site. The scheme shall be implemented in full before the use commences or as otherwise agreed in writing by the City Council as local planning authority.

b) Prior to the operation of the scheme a verification report shall be submitted to and approved in writing by the City Council as local planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site, pursuant to saved policy DC26, of the Unitary Development Plan for the City of Manchester and policy DM1 of the Manchester Core Strategy.

11) Any changes to the existing boundary treatment shall be submitted to, and approved in writing by the City Council, as Local Planning Authority, prior to any works commencing on site. The boundary treatment shall be completed before the approved residential units are occupied. Development shall be carried out in accordance with the approved details and shall thereafter be retained and notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking or re-enacting that Order with or without modification) no boundary treatment shall be erected on site, other than that shown on the approved plans.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located in order to comply with policies SP1 and DM1 of the Manchester Core Strategy.

12) Prior to the first occupation of the development hereby approved, finalised details in relation to the location and number of electric charging points shall be submitted to and approved in writing by the Local Planning Authority. The proposed electric vehicle charging points shall then be fully implemented in accordance with the approved scheme prior to the first occupation of the development.

Reason - In the interests of the air quality surrounding the development and to secure a reduction in air pollution from traffic or other sources in order to safeguard the amenity of nearby residents from air pollution, pursuant to policies SP1, EN16 and DM1 of the Manchester Core Strategy and Greater Manchester Air Quality action plan 2016.

13) The car parking indicated on the approved plans shall be surfaced, demarcated and made available for use prior to the building hereby approved being occupied. The car park shall then be available at all times whilst the site is occupied.

Reason - To ensure that there is adequate parking for the development proposed when the building is occupied in order to comply with Policies DM1 and T2.6 of the Manchester Core Strategy.

14) Prior to any above ground works commencing on site, a hard and soft landscaping scheme shall be submitted to, and approved in writing by the City Council, as Local Planning Authority. The approved scheme, shall be implemented not later than 12 months from the date of commencement of works. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

15) In this condition "retained tree" means an existing trees to the western boundary to the rear of nos. 1 and 3 Union Street ; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use.

(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)

(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.

(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy.

16) Prior to any occupation of the development, a method statement detailing eradication and/or control and/or avoidance measures (including the timeframe for implementation) for Japanese Knotweed shall be submitted to and agreed in writing to the City Council as Local Planning Authority. Any measures approved detailing avoidance, control and eradication measures (including the timeframe for implementation) shall be implemented in full, prior to the occupation of the building.

Reason - To prevent the spread of any invasive plants and in order to safeguard important wildlife habitats in the area, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

17) No works to trees or shrubs shall occur between the 1st March and 31st August in any year unless a detailed bird nest survey by a suitably experienced ecologist has been carried out immediately prior to clearance and written confirmation provided that no active bird nests are present which has been agreed in writing by the Local Planning Authority.

Reason - To provide and ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended pursuant to policies SP1 and DM1 of Manchester's Core Strategy Development Plan Document.

18) Prior to the occupation of the development hereby approved, permanent bird and bat boxes shall be installed at the site in accordance with a scheme that shall be submitted to, and approved in writing by the City Council, as Local Planning Authority. The bird and bat boxes shall be thereafter retained whilst the development is occupied.

Reason - To provide bird boxes to comply with policy EN15 of the Core Strategy for Manchester.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

Mining Information

The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Coal Authority in Appendix A.

It is recommended that the flats are fitted with a monitored alarm system with PIR monitors, it should comply with either:

- BS EN 50131 and PD 6662 for wired systems
- BS 6799 for wireless systems

The flat entrance doors must be compliant with and certified to BS PAS 24. It is advised that these doors do not have fixed sidelights, and are provided with door viewers instead.

Any external bin store should be a secure, lockable and fire resistant enclosure.

Any new external fittings (i.e. shutters, windows or doors) should be certified to Secured by Design standards.
Access Control

Access control should be installed at the main entrance and be operable by swipe card or fob, and not numeric key pads. It should be controlled by an audio intercom linked to each flat, so that residents can vet callers to the building before allowing them access.

Dusk 'til dawn lights, operated by photoelectric cell/daylight sensor, should be installed to all external doors (manual override is also permissible).

External lighting must be provided to the side passageway and rear of the building, operated by photoelectric cell/daylight sensor (manual override is also permissible). PIR security lighting is not recommended for these locations and should not be employed unless advised.

Fittings should produce 'white' light, as opposed to yellow/orange light. Metal halide (or bulbs with a comparable output) should be used, as these offer superior colour rendition over alternatives such as high and low pressure sodium bulbs.

The upkeep of a development over its lifetime can be crucial to the level of security and safety within. Aspects of a development, which are left to deteriorate, have the potential to attract further crime - a process known as 'the broken window theory'. A maintenance plan should be drawn up to address issues such as litter removal and repair to communal areas (lighting, signage, access controls).

The applicant is advised that any requirements for licensing, hoarding / scaffolding and any associated temporary traffic management arrangements will need discussion and agreement with the council's Highways Applications and Network Resilience teams via Contact Manchester (Tel. 0161 234 5004).

Whilst the development is low risk for bats, the applicant is reminded that under the 2019 Regulations it is an offence to disturb, harm or kill bats. If a bat is found all work should cease immediately and a suitably licensed bat worker employed to assess how best to safeguard the bat(s). Natural England should also be informed.

It is an offence under the Wildlife & Countryside Act 1981, as amended, to introduce or cause to grow wild any plant listed in Schedule 9. Part 2 of the Act. Japanese Knotweed is included within this schedule. All Japanese Knotweed waste (the plant itself or material containing its rhizomes) is classed as a controlled/special waste and therefore needs to be disposed of in accordance with the Environmental Protection Act Duty of Care Regulation 1991.

Date: 14 September 2022

Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/planning-inspectorate. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

The Coal
Authority

Any Planning Enquiries should be directed to:

Planning and Local Authority Liaison

Telephone: 01623 637 119

Email: planningconsultation@coal.gov.uk

Website: www.gov.uk/government/organisations/the-coal-authority

STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:
www.gov.uk/government/organisations/the-coal-authority

This Standing Advice is valid from 1st January 2021 until 31st December 2022
