

## Appendix E Proforma for Planning Applications

**MANCHESTER  
CITY COUNCIL**

### Planning Application – Waste Management Strategy

Planning Application Number: 134919 / Fo / 2022

Date Submitted: 9-9-2022

### Estimated volumes/ m<sup>2</sup> required by the development

#### Low Rise Domestic

| Waste Types        | Capacity Required (litres) | Number of bins required per household | Confirm what is to be provided |
|--------------------|----------------------------|---------------------------------------|--------------------------------|
| General refuse     | 140 / 240                  | 1 x wheeled bin                       |                                |
| Pulpable Recycling | 140 / 240                  | 1 x wheeled bin                       |                                |
| Mixed Recycling    | 140 / 240                  | 1 x wheeled bin                       |                                |
| Garden Waste       | 140 / 240                  | 1 x wheeled bin                       |                                |
| Food Waste         | 23                         | 1 x 23 litre caddy                    |                                |

#### High Rise Apartment Developments

|                                                                                                                                                                                                                                          | Yes/No - how much space has been provided? |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------|
| 0.43m <sup>2</sup> has been provided per apartment for the container space. Space to manoeuvre and access containers individually has also been provided so that each container can be accessed and removed for collection individually. |                                            |

### Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

|                      |                                                 |
|----------------------|-------------------------------------------------|
| General Waste -      | PROPOSED USE WILL SHARE EXISTING WASTE BINS     |
| Pulpable Recycling - | USED BY OTHER NEARBY BUSINESSES IN LLOYDS       |
| Mixed Recycling -    |                                                 |
| Food Waste -         | HOUSE - 1100 L GENERAL WASTE, 1100L CARDBOARDS, |
| Industrial Waste -   | 1100 L GLASS COLLECTED DAILY                    |

|                                                                  |                                     |
|------------------------------------------------------------------|-------------------------------------|
| Has / will a contract be obtained with a licenced waste carrier? | <input checked="" type="checkbox"/> |
|------------------------------------------------------------------|-------------------------------------|

### Mixed Use Developments

|                                                                         |                          |
|-------------------------------------------------------------------------|--------------------------|
| Are the stores for residential and commercial separate from each other? | <input type="checkbox"/> |
|-------------------------------------------------------------------------|--------------------------|

### Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

|                                                                                      |
|--------------------------------------------------------------------------------------|
| 13 X SEPARATE BINS LOCATED AS SHOWN ON PROPOSED GROUND FLOOR PLAN OBS-PL-1-00 REV A. |
|--------------------------------------------------------------------------------------|

### Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

|                                                                     |                                     |
|---------------------------------------------------------------------|-------------------------------------|
| Ensure all bins in the store are accessible                         | <input checked="" type="checkbox"/> |
| Ensure recycling facilities are as easy to access as general refuse | <input checked="" type="checkbox"/> |

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation - NATURAL AIR VENTILATION DUE TO POSITION CLOSE TO  
OPENING ROLLER SHUTTER DOOR

Hygiene - EXISTING HYGIENE ROUTINE WILL REMAIN /CONTINUE

Please provide details of who will be responsible for placing the bins at the collection point  
and returning them to the store / property promptly e.g. resident / management company

BUSINESS OPERATOR

**Please ensure that you have attached:**

|                                                                                                        |                                     |
|--------------------------------------------------------------------------------------------------------|-------------------------------------|
| Detailed plans of waste stores                                                                         | <input checked="" type="checkbox"/> |
| Location plans showing stores                                                                          | <input checked="" type="checkbox"/> |
| Location plans showing the proposed collection point and the route the collection<br>vehicle will take | <input type="checkbox"/>            |

Please ensure that you have completed this form in accordance with our GD04 Waste  
Storage and Collection Guidance for New Developments
