

 Proposed New Boundary  
1087 square meters

 Existing Boundary

Existing boundary is in Palisade fencing  
finished in corrosion resistant hot dip  
galvanised zinc coating

Proposed new Boundary secured with  
Palisade fencing finished in corrosion  
resistant hot dip galvanised zinc coating

This drawing represents the design and function of the equipment depicted. The final product may vary in precise detail subject to suitability of component manufacture. Structural performance is not warranted, such information is available by separate warrant only where requested in writing from us and may be subject to charges. We take no responsibility for existing structures, patent infringements or design variations. We reserve the right to modify or change any features which do not fit with our final build programs as we see fit in the reasonable pursuit of best engineering practices and safe design without notice.
