Hi Eloi,

Following the amendments, I can confirm TA for the highway works (note this is not inclusive of Street Lighting/Lining Works).

I have instructed legal to proceed with the 278 agreement.

Thanks,

Daniel Hirst

Good afternoon Daniel,

Further to my correspondence on the 12 May, do you have an update on the S278 submission as a matter of urgency?

Kind Regards,

Eloi Keizer

Subject: Edge Lane, Droylsden - Your Homes

Hi Richard,

Gary and I have assessed technical submission 1 and have the following comments –

- Please can you provide your street lighting proposal, contacts are antony.bennett@tameside.gov.uk and phil.beveridge@tameside.gov.uk. You will not be able to re-use existing lamp columns, new must be provided where relocating occurs. Please amend the drawing as appropriate.
- The TRO will need adjusting to reflect the new yellow lining proposal, please contact ian.hall@tameside.gov.uk – you will be responsible for the associated fees

regarding this matter. Note required on the drawing - The developer will be responsible for paying Tameside's reasonable costs for amending the TRO's

- Need to show the 20/30 signage and zone ends on the plan for approval (we recognise this will be on Manchester's side of the boundary). STD Detail B212
- General Note. Tactile paving at crossing points need to be 4 No. wide with 2 No. full rows behind the radius.
- Minimum reinstatement to existing carriageway is 400mm for new kerbs. Where site entrances are tied into the existing highway, each layer will have a minimum 150mm lap length. A patch of 1m x 1m is required for each replacement gully.
- New gullies must be connected directly to the main sewer, with old pots abandoned to allow for future maintenance. Also see STD detail D217A.
- 2 No. "SLOW" to be introduced outside plots 99 and 105 on the approach to the bend (to safeguard residents entering and leaving their driveways adjacent to the bend).
- TMBC sign to remain as it is currently, as this delineates the boundary between Manchester and Tameside.

Regards,

Daniel Hirst
