ED/45351: Andrew Road Playing Fields - New Fencing

Date (must be pre-application submission)

07/09/2022

Whilst the increased height throughout the site is considered acceptable, we have worries about the fence being pushed back by 6.8 metres, as it would leave a space of incidental green space. The plans which were previously approved had a much smaller set back. Looking back at my site visit photos, I see there was a fence against the Highway, would this remain? If so, this should be indicated on the plans.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ No
