## Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

### Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

We would like to reapply for consent for a minor paint-only change we would like to make to one exterior wall (River Irwell side) of the People's History Museum. This is an Edwardian listed building (engine house).

We've recently been offered funding to commission a co-created mural art heritage piece (by Cities of Hope) on the side of People's History Museum's historic Edwardian Engine-hall building. As this is a listed building, we are away we may need the local authority conservation to give listed building consent.

The mural art piece will be themed to commemorate the Peterloo Massacre just a short walk away from the building almost 200 years ago, artwork to be agreed – likely to be showing the crowd of people in attendance during the historic moment. We believe it will be a great way to raise awareness of the heritage stories in Manchester, raise the profile of the museum (particularly with new and younger audiences) and also deepen our engagement with local community groups. Axel Void will be the artists commissioned to create this work, and is a street artist of world renown and his participation in this project will certainly bring much attention to the People's History Museum and Manchester through the creation of this artwork.
