

Chatsworth 2

Product Information

The Chatsworth sliding sash window offers a modern alternative to traditional sliding sash windows by featuring double glazing, contemporary security features and spring balances for smooth and precise operation. This window is a perfect representative of a bygone era bringing a touch of nostalgia into newly built homes and refurbishment projects. The option is available to include safety restrictors for added reassurance. The Chatsworth sliding sash is also the perfect solution for conservation projects with the ability to feature single-glazed panels.
