Dear Jema

Following on from our discussion, I've pulled together a bespoke proposal for you outlining my recommendations for your waste and recycling solution.

I hope this fulfills your expectations. If for whatever reason it does not, please contact me at your earliest convenience.

Yours Sincerely

Tony Esivwose

ABOUT US

B&M Waste Services is a forward-thinking waste and recycling solutions provider. Our carbon-neutral plus business helps you waste less and recycle more, diverting all residual waste from landfill.

We take pride in delivering sustainable waste collection services to any size business throughout the UK, tailoring effective waste strategies to save you space, money and carbon.

We are recognised as leaders in our industry, winning awards for both ourselves and our customers, who have benefited by adopting our innovative waste management approach.

ADDITIONAL SERVICES

Shredding: We collect, shred and recycle all paper, books, media, uniforms and difficult items stored in consoles, bins, bags, sacks or in skips. We can schedule collection or help with a one off clearance. We work to BS EN 15713:2009 standards and provide a Certificate of Destruction after each shred. The service is carbon neutral, fully GDPR compliant and 100% recycled.

Equipment: We supply and maintain; Mini, Midi and Mill size balers both manual and semi- automatic. We also provide static and portable compactors, Reverse Vending Machines, shredders, Food Macerators and internal bins

Hazardous: We collect and dispose of all hazardous, clinical, offensive waste stored in either crates, IBC's, Drums or tanks. We provide a flexible service for site clearances and can also set up scheduled collections. We provide a Hazardous Waste Consignment Note for each collection.

Marketing: Tailored marketing packages including bespoke colourful labels for bins and clear concise messaging for signs and posters are proven to increase recycling percentages and reduce charges from contamination.
