Subject: 8801-Downley Drive - Discharge of Condition 8

Jen,

Good morning.

Apologies for contacting you about an administrative problem with validation of the information I have submitted for Condition 8 at Downley Drive but I have received notification that the submission is invalid. See attached.

I have checked and corrected, on the Planning Portal, the items noted i.e. Date of Decision & Site address but still cannot get the submission processed.

I have tried phoning the MCC Planning admin team but have had no response.

Please can you assist.

Regards

Mike
