Dear Sir or Madam,

Class A, Part 1, Schedule 2 of the Town & Country Planning (General Permitted Development) (England) Order 2015 (as amended)

Application No.: 134476/PDE/2022

Description: Prior notification of proposed larger home extension projecting 6m to the rear with a maximum height of 3.26m and a height at eaves of 3.26m

Location: 40 Emery Avenue, Manchester, M21 7LF

The above application was submitted to us on 21 July 2022.

When assessing the criteria of the larger homes extensions under Schedule 2, Part 1, Class A of the above Order, the proposal must comply with all of the requirements to be permitted development; this includes all conditions, limitations or restrictions.

In paragraph A.1(i) of the Order, development is not permitted where the "enlarged part of the dwellinghouse would be within 2 metres of the boundary of the curtilage of the dwellinghouse, and the height of the eaves of the enlarged part would exceed 3 metres"; the submitted application form and proposed plans state that the eaves are to be 3.25m.

Accordingly, the proposal does not satisfy all of the conditions and limitations and is therefore not permitted under the Order and an application for planning permission is required.

This letter is to be treated as a refusal of this application, in accordance with paragraph A.4(3) of the Order, and as such you have the right of appeal under Section 78 of the Town & Country Planning Act 1990 (as amended). Any such appeal must be submitted using the Planning Inspectorate's website at <https://acp.planninginspectorate.gov.uk/> within 12 weeks of the date of this letter.

Alternatively, if you wish to proceed with the proposed extension, you would need to submit an application using the 'Householder Application for Planning Permission for works or extension to a dwelling forms' and pay the requisite fee, which is currently £206.

Should you wish to discuss this matter any further please contact Angelina Ward.

Yours faithfully,
