Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the agent in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. In this instance, the initially submitted plan has been slightly revised in the interest of residential and visual amenity, and revised plans subsequently submitted, (dated 31/10/2022). The local planning authority had no other issues to raise with the agent but have attached appropriate conditions to the approval.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

- o Householder Application for Planning Permission for works or extension to a dwelling form, received by the City Council as the Local Planning Authority on 31 October 2022.
- o Location Plan with application site edged in red, received by the city council as the local planning authority on 31 October 2022.
- o Existing Floor and Elevations, Drawing No. 13-01-01 19-07-2022, received by the city council as the local planning authority on 31 October 2022.
- o Existing and Proposed Site Plans, Drawing No. 13-01-03 19-07-2022, Rev A, received by the city council as the local planning authority on 31 October 2022.
- o Proposed Floor and Elevations, Drawing No. 13-01-02 19-07-2022, Rev A, received by the city council as the local planning authority on 31 October 2022.
- o Proposed Garage Door Elevation and Section, Drawing No. 13-01-05 19-07-2022, Rev A, received by the city council as the local planning authority on 31 October 2022.
- o Proposed refuse management arrangement, Drawing No. 13-01-06 19-10-2022, received by the city council as the local planning authority on 31 October 2022.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of Manchester's Local Development Framework: The Manchester Core Strategy (July 2012).

3) The external facing materials to be used on the extension hereby permitted shall match those of the primary dwellinghouse in terms of type, colour, texture, scale, pointing and coursing and as stated on the application form and approved drawings.

Reason - To ensure that the appearance of the building to be extended is not adversely affected by the materials to be used in the construction of the extension, pursuant to saved Policy DC1 of the Unitary Development Plan for the City of Manchester and Policies DM1 and SP1 of Manchester's Local Development Framework: The Manchester Core Strategy (July 2012).

4) Prior to the commencement of development appropriate and comprehensive construction designs for the installation of a proprietary gas membrane, in order to alleviate any possibility of landfill gas ingress to the building, shall be submitted for approval to the City Council, as Local Planning Authority. The approved details shall then be implemented as part of the development.

Reason - the development site lies within 250 metres of a registered landfill site or in close proximity to a potential historical source of landfill gas pursuant to policies DM1 and EN18 of the Manchester Core Strategy (2012).

5) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no windows or doors shall be inserted into the elevations of the extension hereby approved other than those shown on:

- o Proposed Floor and Elevations, Drawing No. 13-01-02 19-07-2022, Rev A, received by the city council as the local planning authority on 31 October 2022.
- o Existing and Proposed Site Plans, Drawing No. 13-01-03 19-07-2022, Rev A, received by the city council as the local planning authority on 31 October 2022.
- o Proposed Garage Door Elevation and Section, Drawing No. 13-01-05 19-07-2022, Rev A, received by the city council as the local planning authority on 31 October 2022.

Reason - In the interests of residential amenity pursuant to saved policy DC1 of the Unitary Development Plan for the City of Manchester, and policies SP1 and DM1 Core Strategy for the City of Manchester (July 2012).

6) The garage hereby approved shall be used for purposes ancillary to the residential use of the main dwellinghouse at 25 Green Fold only and for no other use. For the avoidance of doubt this includes the use of the garage as a self-contained residential unit, or for business, and no part of the garage shall be used for any purpose which would preclude its use for the parking of a motor vehicle, and no development shall be undertaken that would preclude vehicular access to the garage.

Reason - To use the property for any other purpose would result in an over intensive use of the property to the detriment of residential amenity, pursuant to policy SP1 and DM1 of the Core Strategy.

7) Wheeled bins shall be stored in the bin store as shown on: Drawing No. 13-01-06 19-10-2022, received by the city council as the local planning authority on 31 October 2022, and only brought to the back of pavement on collection days, and this arrangement shall remain so in perpetuity, and be maintained.

Reason - In the interests of visual and residential amenity, pursuant with saved policy DC1 of the Unitary Development Plan for the City of Manchester (1995) and policies EN19, SP1 and DM1 of the Core Strategy (July 2012).

8) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification) no part of the development shall be used for any purpose other than the purpose(s) of Class C3(a) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended) (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason - In the exceptional circumstances of a proliferation of HMO's restricting housing choice and adversely affecting sustainability and in the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policy 7.4 of the Guide to Development in Manchester: Supplementary Planning Document and Planning Guidance, the National Planning Policy Framework and policies SP1 and DM1 of the Manchester Core Strategy.
