**Dear Paul,**

Please note that the extractor fan, that is located in the toilet of German Donner Kebab, has been changed, as per request, to a silent ventilator. This change was done on the 8<sup>th</sup> August 2022.

The change of the extractor fan was done free of charge as it was still under warranty from when it was initially installed. Please see the attached pictures on the other supplied document where you will see the pictures of the extractor.

If you require anything else then please let us know and we will help where we can.

Kind Regards,

**Amanda Trevor**
