Dear Sir or Madam,

Class A, Part 1, Schedule 2 of the Town & Country Planning (General Permitted Development) (England) Order 2015 (as amended)

Application No.: 134008/PDE/2022

Description: Prior notification of proposed larger home extension projecting 3.5m to the rear with a maximum height of 3.9m and a height at eaves of 3.2m

Location: 3 Albemarle Road, Manchester, M21 9HX

The above application was submitted to us on 9 June 2022.

When assessing the criteria of the larger homes extensions under Schedule 2, Part 1, Class A of the above Order, the proposal must comply with all of the requirements to be permitted development; this includes all conditions, limitations or restrictions.

In paragraph A.1(i) of the Order, development is not permitted where the "enlarged part of the dwellinghouse would be within 2 metres of the boundary of the curtilage of the dwellinghouse, and the height of the eaves of the enlarged part would exceed 3 metres"; the submitted application form states the eaves to be 3.2m and the accompanying plan shows the proposed extension to be directly adjacent to the boundary with 5 Albemarle Road, i.e. within 2m.

Accordingly, the proposal does not satisfy all of the conditions and limitations and is therefore not permitted under the Order and an application for planning permission is required

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
