

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

The application has been determined in a positive and proactive manner. In this instance conditions have been proposed and a decision has been issued within statutory timescale's.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

13B Basement plan as proposed; 14B, Ground floor plan as proposed; 15A first floor plan as proposed; 16A second floor plan as proposed; 17A roof plan as proposed; 18 B front elevation as proposed; 19B Side elevation (West) As proposed; 20A rear elevation as proposed; 21B rear elevation as proposed; 21B Section AA as proposed; 22 B

section as proposed; 12B Proposed site plan; as proposed all as received by the City Council as local planning authority on the 12 th July 2022

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) Before the development proceeds above ground level a scheme for acoustically insulating the proposed residential accommodation against noise from Wilbraham Road and shall be submitted to and approved in writing by the City Council as local planning authority. There may be other actual or potential sources of noise which require consideration on or near the site, including any local commercial/industrial premises. The approved noise insulation and ventilation scheme shall be completed before any of the dwelling units are occupied. Noise survey data shall include measurements taken during a rush-hour period and night time to determine the appropriate sound insulation measures necessary.

b) Prior to first occupation of the residential units hereby approved, a verification report shall be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that the internal noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the internal noise criteria.

Reason: To secure a reduction in noise from traffic or other sources in order to protect future residents from noise disturbance pursuant to policy DM1 of the Core Strategy and saved policy DC26 of the Unitary Development Plan.

4) a) Before the development hereby approved proceeds above ground level a scheme for the storage and disposal of refuse shall be submitted to and approved in writing by the City Council as local planning authority.

b) The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of amenity and public health pursuant to policy DM1 of the Core Strategy.

5) In the event that ground contamination, groundwater contamination and/or ground gas are encountered on the site at any time before the development is occupied during the watching brief, then development shall cease and/or the development shall not be occupied until a report detailing what measures, if any, are required to remediate the land (the Remediation Strategy), is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the agreed Remediation Strategy. If no contamination is found, then a post-completion report shall be submitted to evidence this prior to occupation of the development.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Core Strategy.

6) Prior to the commencement of development a Construction Management Plan shall be submitted to and approved in writing by the City Council as local planning authority. The Construction Management Plan should detail the phasing and quantification / classification of vehicular activity associated with planned construction. This should include commentary on types and frequency of vehicular demands together with evidence (including appropriate swept-path assessment) of satisfactory routing both within the site and on the adjacent highway. The document should also consider ongoing construction works and contractor parking in the locality. The submitted details shall also include a dilapidation survey , the survey should include photographs and commentary on the condition of carriageway / footways on construction vehicle routes surrounding the site.

Reason - In the interests of highway and pedestrian safety pursuant to policy DM1 of the Core Strategy.

7) Prior to the approved development proceeding above ground level, details of the highway works required to install the additional vehicular access point into the site as shown on the approved drawings shall be submitted to and approved in writing by the City Council as local planning authority. The submitted details shall include details of the section 278/section 184 agreements in place with the Highways Authority to undertake the alterations to the existing highway including any proposed tactile paving and upgrades to the dropped kerb arrangements. The development shall be carried out in accordance with the agreed details.

Reason - In the interests of highway and pedestrian safety pursuant to policy DM1 of the Core Strategy.

8) Before the development hereby approved is first occupied a Travel Plan shall be submitted to and agreed in writing by the City Council as Local Planning Authority. In this condition a Travel Plan means a document which includes:

- i) the measures proposed to be taken to reduce dependency on the private car by those [attending or] employed in the development
- ii) a commitment to surveying the travel patterns of staff during the first three months of use of the development and thereafter from time to time
- iii) mechanisms for the implementation of the measures to reduce dependency on the private car
- iv) measures for the delivery of specified travel plan services
- v) measures to monitor and review the effectiveness of the Travel Plan in achieving the objective of reducing dependency on the private car

Within six months of the first use of the development, a revised Travel Plan which takes into account the information about travel patterns gathered pursuant to item (ii) above shall be submitted to and approved in writing by the City Council as local planning authority. Any Travel Plan which has been approved by the City Council as local planning authority shall be implemented in full at all times when the development hereby approved is in use.

Reason - To assist promoting the use of sustainable forms of travel to the school, pursuant to policies SP1, T2 and DM1 of the Core Strategy and the Guide to Development in Manchester SPD (2007).

9) Prior to the first use of the development hereby approved, full details of the cycle parking provision to be installed at the site including details of the structure and number of spaces provided, shall be submitted to and approved in writing by the City Council as local planning authority. The development shall be carried out in accordance with the agreed details which shall be installed prior to first occupation of the development. The approved space and facilities shall then be retained and permanently reserved for bicycle parking.

Reason - To ensure that adequate provision is made for bicycle parking so that persons occupying or visiting the development have a range of options in relation to mode of transport in order to comply with policies SP1, T1 and DM1 of the Core Strategy.

10) Prior to the development proceeding above ground level a scheme shall be submitted to and approved in writing by the City Council as local planning authority, detailing the siting and specification of an electric vehicle charging point along with a timescale for its installation. The approved scheme shall be fully implemented in accordance with the agreed details (including the timescale for its installation) and maintained in situ at all times thereafter.

Reason - In the interests of residential amenity and the contribute to the reduction of carbon emissions and improve air quality, pursuant to policies SP1, EN16 and DM1 of the Core Strategy for the City of Manchester and the National Planning Policy Framework.

11) The car parking hereby approved shall be laid out, demarcated and made available prior to the occupation of the residential accommodation hereby approved.

Reason - In the interests of pedestrian and highways safety and to ensure the satisfactory development of the site, pursuant to Policy DM1 in the Manchester Core Strategy.

12) Prior to the approved development proceeding above ground level details of all materials to be used on the external elevations of the development hereby approved including all materials of the Pavilion within the amenity area and the proposed refuse store, shall be submitted to and approved in writing by the City Council as local planning authority. The development shall be carried out in accordance with the agreed details.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy.

13) In this condition "retained tree" means any existing tree, shrub or hedge which on the site; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use.

(a) No tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)

(b) If any tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.

(c) The erection of fencing for the protection of any tree shall be undertaken in accordance with plans and particulars submitted to and approved in writing the Council

as local planning authority prior to any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy.

14) Prior to the development proceeding above ground level a hard and soft landscaping treatment scheme (including tree planting) shall be submitted to and approved in writing by the City Council as local planning authority. The approved scheme shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Core Strategy.

15) The planning permission hereby granted relates to the use of the extension to 355-357 Wilbraham Road as a residential care home (Class C2) only and for no other purpose.

Reason - For the avoidance of doubt and in the interests of residential amenity pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester.

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

The applicant will be required to enter into a Section 278/184 agreements for the alterations to the existing highways, and for construction of the proposed tactile paving and any upgrades to the dropped kerb arrangements. This will require the agreement with MCC's Highways Applications and Network Resilience teams via Contact Manchester (Tel. 0161 234 5004). This will be funded at the applicant's expense.

The applicant is advised that any requirements for licensing, hoarding / scaffolding and any associated temporary traffic management arrangements will need discussion and agreement with the council's Highways Applications and Network Resilience teams via Contact Manchester (Tel. 0161 234 5004).

Construction works shall be confined to the following hours unless otherwise agreed in writing by the City Council as local planning authority:

Monday - Friday: 7.30am - 6pm

Saturday: 8.30am - 2pm

Sunday / Bank holidays: No work

In order to discharge condition 3 attached to this approval the following will be required to be demonstrated:

The following noise criteria shall be required to be achieved:

Bedrooms (night time - 23.00 - 07.00) 30 dB LAeq (individual noise events shall not exceed 45 dB L_{Amax,F} by more than 15 times)

Living Rooms (daytime - 07.00 - 23.00) 35 dB LAeq

Gardens and terraces (daytime) 55 dB LAeq

In order to discharge condition 4 of this decision whilst the submitted waste management proforma has stated that there will be 2 x1100l general, 1x 1100l mixed and 1x1100l additional bins provided, we still require details of the collection frequency before the condition can be discharged.

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/planning-inspectorate. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
