

NMA application drawings			
Project No: RF20-799 Project Title : Heyrod Street, Manchester Client Name: Packaged living Revision: P02			
	Planning Drawings	Revised drawings	Changes/comments
	0799-RFM-XX-00-DR-L-0012-PL01-Illustrative GA Level 00	CAS-RFM-XX-L0-DR-L-19-0022-S2-P01- Planning Condition Landscape General Arrangement -Level 00	- Design evolution and logical progression during stage 4 design - Coordination with other design disciplines - Updated levels information following coordination with architects and engineers - Additional bollard to prevent access into public space in the public square on Heyrod Street. - Below ground cellular systems incorporated for trees in resin bound gravel and in raingardens to Longacre Street - More detailing to public realm areas - More detail and coordination with Civils with external finishes - Coordination of rain gardens on Longacre Street is part of 278 works - RAL colours for street furniture updated to match adjacent SRF schemes - Millboard composite decking omitted - Coordination with architect plan showing maintenance access route through private terraces, including a series of gateways
	0799-RFM-XX-00-DR-L-0013-PL01-Planting Strategy	CAS-RFM-XX-L0-DR-L-19-0025-S2-P01 Planning Condition Planting Strategy Level 00	- Design evolution - Developed planting design to include expanded selection of mixed shrubs, ornamental grasses and feature flowering shrubs. - Below ground cellular systems calculated and incorporated on plan - Two tree species in public square changed to tie in with the adjacent Adair Street scheme. - Some tree species changed as they are no longer able to be obtained from Europe. - Two trees removed as part of Victoria House adjacent scheme, not part of The Castings project. - Position of trees on Long Acre updated and silva cells incorporated following design evolution and coordination with utilities engineers.
		CAS-RFM-XX-ZZ-DR-L-19-0026-S2-P01 Planning Condition Planting Strategy Levels 01 & 21	- Planter arrangement simplified and updated following design changes. - Smaller terrace to include pots and feature plants instead of fixed beds - Developed planting design to include expanded selection of mixed shrubs, ornamental grasses, multi-stemmed trees and feature flowering shrubs.
	0799-RFM-XX-00-DR-L-8001-Planting Details	CAS-RFM-XX-L0-DR-L-19-8008-S2-P01 Tree Details	- Multistem tree in pot updated with a different product - Tree in raingarden updated in more detail. - Utility locations now shown within raingarden section
	0799-RFM-XX-00-DR-L-0015-Roof Terrace GA's	CAS-RFM-XX-L01-DR-L-19-0023-S2-P01 Planning Condition Landscape General Arrangement-Level 01	- Design evolution and logical progression during stage 4 design - L01 smaller terrace design changed from a series of fixed beds to pots and feature plants
		CAS-RFM-XX-L021-DR-L-19-0024-S2-P01 Planning Condition Landscape General Arrangement Level 21	- Design evolution - Raised planters repositioned away from perimeter to facilitate maintenance/ abseiler access - 500mm offset from curtain walling to planters provided to allow access for window cleaning - Gravel margins added - Materiality updates to include granite pavers instead of composite decking due to fire safety regulations
	0799-RFM-XX-00-DR-L-0009-Illustrative Sections Level 00	Not applicable	
	0799-RFM-XX-00-DR-L-0014-PL01-Illustrative Terrace Sections	CAS-RFM-XX-L01-DR-L-19-8010-S2-P01 Planning Condition Landscape Sections	- Drawing provides additional information on the design of the terraces - Drawing provides detail on planter sizes, planter heights and to show line of sight across the space for occupants - Pedestal and joist system adjusted following coordination with Kinley Systems
		CAS-RFM-XX-L21-DR-L-19-8011-S2-P01 Planning Condition Level 21- Landscape Sections	- Drawing provides additional information on the design of the terraces and on planter sizes and planter heights - Pedestal and joist system adjusted following coordination with Kinley Systems
		CAS-RFM-XX-L01-DR-L-19-8009-S2-P01 Planning Condition Swing and Structure Details	- Drawing provides design intent on the design of the swing and structures to Level 01
		CAS-RFM-XX-ZZ-DR-L-19-8012-S2-P01 Planning Condition Typical Paving Details	-Drawing provides additional information on the materiality across the site and different interfaces between surface types - Drawing to show information on terraces systems, for example, the use of joist and pedestals - Typical details supplement other drawings and provide more detail on edging types
		CAS-RFM-XX-L0-DR-L-19-8013-S2-P01 Planning Condition Street Furniture Details	- Drawing provides design intent on the design of the street furniture and illustrate coordination with wider SRF public realm
		CAS-RFM-XX-ZZ-DR-L-19-0019-T04-Edgings Plan Levels 01 & 21	- Drawing provides additional information on the planter sizes and planter heights to Level 01 and Level 21
