Part 1 – Particulars of the application/development

Proposal: Erection of part single, part two storey side and rear extension to provide additional living accommodation

Location: 7 Burnham Drive, Manchester, M19 2JJ

Date of application: 20 June 2022

Application number: 134068/FH/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal was assessed with regards to policies outlined in the National Planning Policy Framework, Unitary Development Plan Saved Policies, Local Development Framework Core Strategy Development Plan and other material considerations. In this instance a solution that was acceptable to both the Local Planning Authority and the applicant/agent could not be reached as the nature of the proposal was considered to be unacceptable.

Reason(s) for decision

1) The proposed part single part two storey side extension by virtue of its design, siting, and scale would have a detrimental impact on visual amenity and the character of the street scene. The resulting appearance would be an extension which will have an inadequate relationship with number 9 Burnham Drive, due to the development gap being unable to be shared, resulting in a terracing effect. The proposal will be out of character with the street scene and will have a negative impact on visual amenity which is contrary to the provisions of saved policies DC1 of the Unitary Development Plan for

the City of Manchester (1995), policies SP1 and DM1 of the Manchester Core Strategy (2012) and the National Planning Policy Framework.

Date: 15 August 2022

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 12 weeks).

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
