Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

The planning application description of development is:

Restoration and conversion of the abandoned Grade II listed Bridgewater House (including replacement windows, rear facing dormers, insertion/removal of windows and doors and recreation of lightwells) and redevelopment of car park area (including partial demolition of rear and side boundary walls) to create a ground plus three storey apartment building; overall providing 53 new homes, including landscaping to courtyard, bike storage and associated works.

The listed building consent description of development is:

"Refurbishment and conversion of abandoned Grade II listed Bridgewater House to create apartments and partial demolition of rear and side boundary walls to facilitate the construction of a new build apartment block on existing car parking.

Comprehensive internal and external works including: repair/replacement of roof structure (including new rear facing dormers); repair/replacement to ceilings, staircases, plasterwork, joinery details and floors; alterations to planform (including stud walls, blocking up and opening up works); general repairs to brick and stone work; replacement wooden windows throughout; reopening some windows previously blocked up at basement level; new mechanical and electrical interventions to light, heat and provide drainage to the building; new entrance doors in existing window openings with steps down to the reinstated front gardens on the Chester Road, and new door openings along Crown Street also in existing window openings."

Has the development or work already been started without consent?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
