Good afternoon Rachel

I had hoped to be able to forward the Crime Impact Statement to you today. Whilst the report is nearing completion it is not quite there yet. I will continue to work on it today and have it for you first thing on Monday morning. As discussed when we met a few weeks ago, it is a very well-considered scheme and we are happy to support it. There are no unduly onerous recommendations contained within the report. Thank you for your patience.

Kind regards
