RSPB Classic Nestbox

Product ID: R401639

£ 14.99

★★★★☆ [Read all reviews](#)

Simply styled, sturdily made FSC ® certified timber nest box. Like all our nest boxes, it's made with thick timber for insulation with a roof designed to prevent rain water running down the inside of the box. The 32mm entrance hole, makes it suitable for many bird species.

Side opens for easy end-of-season cleaning. UK made.

Simply styled, sturdily made FSC ® certified timber nest box. Like all our nest boxes, it's made with thick timber for insulation with a roof designed to prevent rain water running down the inside of the box. The 32mm entrance hole, makes it suitable for many bird species. Side opens for easy end-of-season cleaning. UK made. Installing your nest box For secure and stable fixing, there are two hanging tabs attached to the back of the nest box, one at the top and one at the bottom. These tabs make it quick and easy to securely fix it in place. Screws not supplied. Type of bird • Coal tit • Blue tit • Great tit • House sparrow   Specification Width 20cm Depth 16cm Height 22cm 32mm entry hole Advice Which size nest box hole for which bird? 25mm - blue tit, coal tit, marsh tit 32mm - great tit, tree sparrow, pied flycatcher, house sparrow, nuthatch, lesser spotted woodpecker. 32mm entry holes can, if you wish, be reduced to 25mm using a nest box plate (R0110). RSPB nest boxes are made with thick FSC ® certified timber and will survive for many years, even without the use of preservatives. If you do want to protect your nest box further, use a water-based preservative (preferably one that complies with standard EN71 part 3 as safe for children's toys). Such paint/preservative types are clearly marked on the container, and are available from DIY stores and hardware shops. Preservatives should only be applied to the outside of the box. Apply in the winter, when there is a low likelihood of occupancy.
