John,

60 Whalley Road Manchester M16 8AH - 134310/TPO/2022

I have viewed the proposals and comment as follows:

The applicant has proposed to carry out the following pruning work:

T1; Horse chestnut; crown-lift to 3m over car-parking area removing branches no greater than 50mm diameter. Reason; to enable cars and vans to use the parking bays with reasonable tree crown clearance.

T2; Lime; as T1

T3; London plane; as T1

T4; Beech; as T1

T5; Oak; as T1

T6; Horse chestnut; as T1

T1 - 6; Crown-lift to 3m over public pavement, removing branches no greater than 50mm diameter. Reason; to provide reasonable crown clearance for pedestrians.

I can confirm that the above work would be considered routine and therefore we would have no objection.

Kind regards
