General requirements/information

1. Please ensure when updating specific drawings, all other drawings showing similar detail are also updated.
2. You must ensure that you have appropriate planning approvals in place before proceeding with any works. Any works carried out without planning approval are carried out at the developers own risk.
3. Before Technical Acceptance can be given, MCC highways department must consult with relevant stakeholders. This process can take up to two months.
4. All works undertaken before technical approval is issued will be at the developers own risk. MCC takes no liability for abortive works.

Yours faithfully,

Connor Meechan
Highway Design Engineer
