Dear Sir/Madam,

Application under Section 96a of the Town & Country Planning Act 1990 (as amended) for a Non-Material change to a planning permission

Application No: 133836/NMC/2022

Description: Non material amendment to planning permission referenced 130641/FO/2021 to allow alterations to the porch roof and elevational alterations

Location: 5 Nutbank Lane, Manchester, M9 6BH

I refer to your application for a non-material amendment to planning permission reference .

The proposed amendment relates to alterations to the porch roof and elevational alterations.

Following an assessment of the details and plans submitted, it is confirmed that the proposed amendments are considered to be of a non-material nature and acceptable to the City Council as Local Planning Authority. The City Council is satisfied that the proposed changes will have no material impact upon the previously approved scheme and the works will not adversely affect visual or residential amenity within the area or will they have any significant material impact upon the overall quality of the development.

Therefore I can confirm that the proposed amendments are hereby **approved**.

It should be noted that this letter of consent does not supersede the decision notice attached to planning permission . These documents should be read in conjunction with one another. Therefore, the conditions previously applied to approval still apply to this development. However, due to the acceptance of the amendments outlined above, the following amended conditions also now apply:

1) The development hereby approved shall be carried out in accordance with the following drawings and documents:

SK101 - Proposed Elevations

Received by the local planning authority dated 23 May 2022.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

Should you wish to discuss the matter further, please contact Jennifer Connor using the details above.

Yours faithfully,
