Details of the pre-application advice received

Prior approval application was initially submitted on 31/05/22, however feedback was received from Adam Neil on 11/07/22 with further clarification provided on 14/07/22 that the scheme did not qualify for Permitted Development. This was due to the LPA identifying that the rear projection on the building is deemed to be part of the original building.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
