

Architectural elevation rendering of the proposed Ancoats Dispensary building. The building is a three-story structure with a red brick base and an upper section with orange-brown panels and black vertical accents. It features a central entrance and a small tower-like structure on the roof. The building is situated on a street corner, with "Old Mill Street" labeled on the left and right. The "Ancoats Dispensary Site" is indicated by a dashed white line on the ground. The background shows a tall white building with many windows and a cloudy sky. Numbered callouts (1-10) are placed on the building facade.
