Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☐ Yes
☒ No

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☒ Yes
☐ No

If Yes, please give a full description of the scale and nature of the proposed use, including the processes to be carried out, any machinery to be installed and the hours the proposed use will be carried out

The proposed use of the property is to be used as a residential children's home to accommodate a maximum of 2 children under the age of 16. the children would live at the property accompanied by staff at all times. We would be looking to register with Ofsted. The only changes we would be making to the property is adding an extra bathroom. The house would be no different to a normal house with a family as the main objective would be that children remain in a homely environment.

If Yes, please fully describe the existing or the last known use, with the date when this use ceased

The current usage of the property is single dwelling. This will end pending outcome of this application.

Has the proposal been started?

- ☐ Yes
☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

We are considering the change of use to residential children's care because of the shortage of solo or dual bed provisions. We are not making any structural changes to the property. The property is fit for purpose in its current state.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

I am aware of the shortage and struggles within the children's sector especially around solo and dual bedded provisions.
We have trained staff to accommodate looked after children. We need these homes for children to develop and grow in a safe environment.
There would be no issues with staff parking as there would be only one family sized vehicle provided by the company to transport children to any appointments with the relevant insurance.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

☒ The applicant
☐ Other person
