Having fully assessed the application and the supporting information for the application Ref:132614 for Change of Use of C3 residential to Childrens Care Home C2 and alterations to front boundary wall and entrance gates of 229 Mauldeth Road, it is considered that the current application should be withdrawn, as a full change of use application is not required for this type of application.

A Certificate of Proposed Lawful Development is the route you would need to go down, and you will need to provide very specific supporting information for the application to be assessed and determined.

This obviously only relates to planning legislation and does not negate the requirements of Ofsted or licensing / registration to use the property.

I shall forward a couple of examples of the type of information that you will need to provide for the Certificate application.

Withdrawing the application would also mean that the current boundary would be retained, and should you wish to change the boundary in the future, it would require a stand- alone application, as any boundary treatment (besides vegetation) over 1 metre in height where it abuts a highway would require planning permission.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
- ☐ Lessee
- ☐ Occupier
- ☐ Other
