Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

We are creating a loft conversion within the added volume limit of 40m³. The proposed added volume is 31m³ with no dormer window to the front. Therefore we feel the proposal is permitted development.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application
