Height from FFL to underside of panel being: 1300mm

Non illumination.

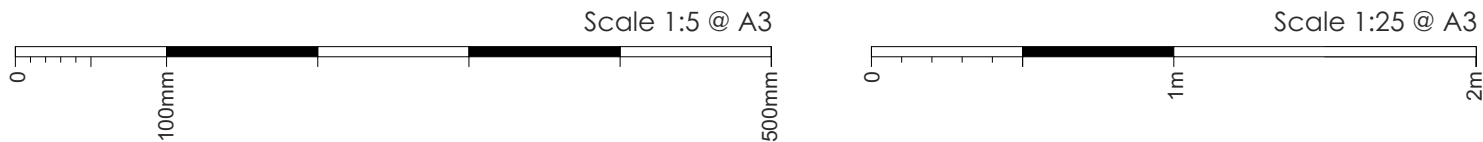

A photograph of the Jurys Inn Glasgow hotel. The building is a multi-story structure with a mix of light-colored stone and red brick. Two prominent red vertical signs with the word 'JURYS' in white capital letters are attached to the facade. The entrance features a set of stairs with metal railings and a glass door. A green 'one-way' street sign is visible on the left. In the foreground, there are red planters with greenery. To the right, a modern glass skyscraper (the Glasgow Tower) rises into the sky. The street in front of the hotel has yellow double lines.

Technical drawing of a red sign for 'LEONARDO HOTELS'. The drawing includes three views: front, side, and back.

- Front View:** A red rectangular sign with the text 'LEONARDO HOTELS' in white, bold, sans-serif capital letters. The height is dimensioned as 'approx. 800mm' and the width as 'approx. 2500mm'.
- Side View:** A red rectangular sign with a white border. The height is dimensioned as '60mm', '100mm', and '60mm'.
- Back View:** A red rectangular sign with the text 'LEONARDO HOTELS' in white, bold, sans-serif capital letters. The height is dimensioned as '200mm'.
