These drawings are for the purposes of obtaining planning permission and/or building regulations approval only, and do not constitute full working drawings.

This drawing shall not be copied or reproduced without prior written consent from us.

Although care has been taken to ensure that dimensions are accurate, all dimensions and details shown on this drawing shall be checked by the contractor prior to work commencing. Any discrepancies shall be reported to us immediately.

All drawings shall be read in conjunction with the relevant specification, structural calculations and any other specialist reports.

No works shall commence until the proposals have been approved by Local Planning Authority (if required), and building control.
