Dear Councillor Bridges

RE: Bus Stop Relocation

Thank you for contacting Transport for Greater Manchester (TfGM) on behalf of your constituent, Mr Yousaf, regarding the relocation of the bus stop and shelter outside his property at 59 Mauldeth Road West, Withington to enable him to create a driveway.

In order for TfGM to review Mr Yousaf's request, he will firstly be required to apply to Manchester City Council (MCC) to request a dropped vehicular access. Mr Yousaf can access the application form on the below link:

https://secure.manchester.gov.uk/forms/form/749/dropped_kerb

Following this, MCC will consult with TfGM regarding the relocation of the bus stop and shelter.

Thank you for contacting us regarding this matter. If there is anything further I can help you with then please do not hesitate to contact me or our Head of Customer Engagement, Sean Dyball, at Sean.Dyball@tfgm.com.

Yours sincerely

**Howard Hartley**

Interim Head of Facilities Management
