Subject: Re: Application Reference: 133704/LP/2022 - 6 Oakcliffe Road

Hi Keven

Thank you for the update, apart from by reason that a condition attached to the original planning permission means that planning permission is required for the extension, I have no other issues to raise with you regarding the proposal.

That said obviously it would be subject to a planning application process and there may be matters that are raised that are unforeseen at this stage.

The advice in this e-mail is given in good faith on the basis of the information available at the present time. The advice may be subject to revision following further examination or consultation, or where additional information comes to light, and is therefore not binding on any future recommendation that may be made by the Council, or any formal decision by the Council.

I hope this is of assistance to you, and if you wish to discuss any of the matters raised, please contact me to discuss.

Regards

Robert

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
