MANCHESTER CITY COUNCIL

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Date of application: 23 August 2021

Application number: 130414/AOH/2021

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **granted** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Appropriate conditions have been attached to the approval.

Condition(s) attached to this decision

1) No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

No advertisement shall be sited or displayed so as to:
(a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);

(b) obscure, or hinder the ready interpretation of, any traffic sign, railway signal or aid to navigation by water or air; or
(c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.

Any advertisement displayed, and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a condition that does not endanger the public.

Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Drawings

Professional Lighting Guide 05: The Brightness of Illuminated Advertisement
Street Hubs Beyond connection: Supporting local councils with digital street communication
Street Hub Anti-Social Behaviour Management Plan
Covering Letter
CONFORMITY WITH ICNIRP PUBLIC EXPOSURE GUIDELINES ("ICNIRP")
LAND REMEDIATION STATEMENT Ref: MAN022

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) (a) No individual advertisements displayed on the LED panel shall contain moving images, animation, video or full motion images or any images that resemble road signs, traffic lights or traffic signs.
(b) No individual advertisements shall be displayed for duration of less than 10 seconds.
(c) Controls shall be in place to ensure smooth uninterrupted transition of images displayed on the panel.
(d) The display panel shall be fitted with a light sensor, designed to adjust the brightness to changes in ambient light levels.
(e) A mechanism shall be in place so that if the installation breaks down, it defaults to a black screen to avoid any flashing error messages or pixilation.
(f) The maximum luminance level of the advertisements displayed on the panel should not exceed 600 cd/m2 during non-daylight/ inclement weather.

Reason - In the interests of highway safety pursuant to policy SP1 and DM1 of the Core Strategy for the City of Manchester

4) Prior to the commencement of the development hereby approved, a detailed construction management plan outlining working practices during development shall be submitted to for approval in writing by the local planning authority, which for the avoidance of doubt should include:

1. Commentary on types and frequency of vehicular demands together with evidence (including appropriate swept-path assessment) of satisfactory routeing both within the site and on the adjacent highway.

2. A dilapidation survey which should include photographs and commentary on the condition of carriageway / footways on construction vehicle routes surrounding the site.

Development must be carried out in accordance with the approved construction management plan upon commencement of authorised works.

Reason

In the interests of highway safety pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester.

5) a) The intensity of the illuminance of the advertisement shall be no greater than 600Cdm2 during hours of darkness to accord with the recommendations of the ILP publication 'PLG05 The Brightness of Illuminated Advertisements' (2015.

b) The luminance level of the digital sign shall be controlled by a light sensor to adjust the screen brightness to reflect the ambient levels during the daytime and set to a maximum brightness of 600Cdm2 during hours of darkness to accord with the recommendations of the ILP publication 'PLG05 The Brightness of Illuminated Advertisements' (2015). In the event of breakdown or malfunction the screen will automatically switch off

c) "The advertisement shall display no special visual effects of any kind during the time that the advertisement is displayed or on transition between advertisements. The displayed image shall not include animated, flashing, scrolling, intermittent or video elements and the transition between successive images shall not include fading, swiping or other animated transition method.

d) The minimum display time for each piece of content on the digital display screens shall be 10 seconds.

e). The interval between each piece of content on the digital display screens shall take place over a period no greater than one second; the complete screen shall change with no visual effects (including swiping or other animated transition methods) between displays

f) Should a fault be detected or reported with the screen or advertisement, the screen will be programmed to automatically switch to a blank screen with black background.

Reason - In the interests of the amenities of the occupiers of nearby premises pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester

6) a)The Communication apparatus hereby approved shall not use voice activated or handsfree technology unless and until a Noise Management Plan (NMP) detailing the control measures including volume and sound levels have been submitted and

approved by the LPA. The agreed levels set out within the NMP shall thereafter be permanently maintained".

b) A noise assessment and noise management plan shall be submitted to determine the noise level of the speaker associated with the equipment and agreed by MCC as Local Planning Authority. Once the noise levels have been agreed, the levels will be included within the NMP and shall be complied with thereafter.

c) Once the NMP has been agreed and the unit installed, a verification report will be required to include sound testing to confirm compliance with agreed noise limit.

Reason - In the interests of the amenities of the occupiers of nearby premises pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester.

7) Notwithstanding the details in Condition 4 a scheme for the reinstatement of pavements must be submitted to and approved in writing by the City Council as local planning authority before development commences.

Reason

In the interests of visual amenity pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester.

8) Before the development hereby approved commences, a plan must be submitted to and approved in writing by the City Council as Local Planning Authority. The plan must demonstrate how the development will be maintained to ensure the agreed light levels and noise levels are maintained and not exceeded. The plan must include details of remote monitoring and control capability, how the operator is alerted if any fault is detected and details of what action is taken where a fault is identified or reported including response time to undertake repair. The plan must include details of proposed physical inspection and monitoring frequency.

Reason

In the interests of visual amenity pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester
