Part 1 – Particulars of the application/development

Proposal: Installation of 48 sheet digital LED billboard to replace existing sign

Location: Hollinwood Avenue Adjacent To Moston Station, Manchester, M40 0JB

Date of application: 10 May 2022

Application number: 133737/AOH/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Reason(s) for decision

1) The proposed internally illuminated sequential LED display would further emphasise the presence of advertising material on this site. By virtue of its size, character and siting, the changeable content of the sign would be an over-dominant and obtrusive feature within the street scene, overwhelming to pedestrians and presenting a poor visual relationship to the building behind. The proposal would therefore have an unacceptable and detrimental impact on the amenity of the area and be contrary to government guidance contained in chapter 12 of the National Planning Policy Framework, the Core Strategy for the City of Manchester in particular policies EN1 (Design Principles and Strategic Character Areas), DM1 (Development Management) and SP1 (Spatial Principles) and saved policies E3.3 (Environmental Improvement and Protection), DC15.1 and DC15.2 (Advertisements, Hoardings and Posters) of the Unitary Development Plan.
