

The floor plan illustrates a four-unit residential building. Each unit is equipped with a Living/Kitchen area, a Dining area, a Shower Room, a Bedroom (Bed 1), and a Bathroom (WC). The units are separated by thick black lines representing walls. The plan also shows common areas, including a central staircase and a central storage area (STORE).

The architectural floor plan illustrates a symmetrical four-unit residential building. The layout is divided into two identical halves by a central vertical corridor and staircase. Each half contains two units, one on the left and one on the right. The units are labeled with room names and dimensions. The left half includes two bedrooms (BED 2 and BED 3), two bathrooms, two stores, and a central staircase. The right half includes two living areas, two dining areas, two kitchens, two stores, and two balconies. The plan also shows a central staircase and multiple balconies. The dimensions for each room are provided in feet and inches.
