Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The proposed increase in wall height, would as a consequence of its siting and appearance, form a visually intrusive and unattractive feature, which would be harmful visual amenity. The proposed development is therefore contrary to policies DM1 and SP1 of the Manchester Core Strategy and National Planning Policy Framework (NPPF).

2) The proposed use of the ground floor as a shisha smoking place would have a detrimental impact on the amenity and living conditions of the nearest residential

occupiers in terms of noise, disturbance and odours. The proposed use is therefore contrary to saved policy DC26 of the Unitary Development Plan for the City of Manchester, policies DM1 and SP1 of the Manchester Core Strategy and the National Planning Policy Framework (NPPF).
