What happens next

Your application has been submitted to Manchester City Council. They will review your application and you should receive a response within 10 working days either to arrange a site visit or to request further information if needed.

Once the local planning authority has received the application it should inform you of:

- Its process to validate and determine the application in accordance with planning legislation; and
- Its data management policies as part of its responsibilities to you.

All further correspondence about your application should now be addressed to Manchester City Council as they are responsible for the processing of your application.
