

00 Boundary Plan  
1 : 500

Boundary details  
1 : 50

|     |          |     |                                                                                                                                                                        |
|-----|----------|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| C   | 06.06.22 | LT  | Trellis fencing shown following Crime Impact Statement recommendations                                                                                                 |
| B   | 28.03.22 | LT  | Window omitted from Plot 1 as Planning. Block H mirrored to give 4-bed larger garden as Client comment.                                                                |
| A   | 17.03.22 | LT  | Road layout around substation and position of Plots 28-31 amended to allow larger driveway between Plots 27 & 28. Driveway to Plot 13 adjusted to avoid extg CATV box. |
| 1   | 01.04.22 | LT  | Drawing status changed to Planning                                                                                                                                     |
| Rev | Date     | Int | Description                                                                                                                                                            |
