Re: Project Crystal, HMG Paints Planning Application REF:PP-11403029

To whom it may concern,

Following the submission of the initial planning application **Ref: PP-10127995** which had been halted. It was agreed with the planning officer Steven Mccoombe, that a future application of a similar scheme would be accepted as a 'free go'. Please accept this planning application **Ref: PP-11403029** initially submitted without payment, to be used as the 'free go' in substitute for the planning application **Ref: PP-10127995** which has had payment accepted.

Yours Sincerely,

Aadil Sidat (Agent)

Architect

For and on behalf of HMG Paints (Applicant)
